---

Hi Julie,

The weather has turned bad and I-84 is currently closed. I'm thinking that I will not be driving there after all. I will check in with others from my office and let you know if their travel plans have changed also and get back to you. This meeting may end up a virtual meeting.

Thanks,

Chris

Chris

Thank you for the message. I've corrected the attendees for EPA and wanted to double check with you before I finalize agenda. Yes we have Col. Helton's bio. And have shared it with Tribal Council along with Mr. Terada's. I'll be sending out a corrected agenda w attendees out on Monday.

Julie

I believe the plan was to travel back to Portland after the meeting ended on Wednesday. Travel plans may have changed with the weather, but I won't know until everyone returns to the office on Monday. Have you already received a bio for Colonel Helton? If not, I can provide one on Monday.

I'll also be providing you the call-in number for those attending remotely. Given winter weather I wondered if you were all traveling Wednesday over and back. I will make sure we have someone from our group there Wednesday morning to escort you through the screening and to Tribal Chambers. If I can get parking areas reserved near the nearest entrance to the meeting I will let you know. If you have any questions please let me know.
